Mechanical safety pictogram.

- The Blue range puts together comfort, softness, breathability of the cotton and the resistance and durability of a tough workwear line.
- The structure of the fabric and the finishing such as the reinforced runners and jointed triple seams in contrasting colour, assure long-lasting use and high quality.
- Several types of reflective stripes can be applied on the garment (yellow prismatic, orange prismatic, grey prismatic, grey classic).

Protection against risks of dirt and detrimental actions of slight damage.

The product is designed and manufactured to comply with the requirements of Directive 89/686/EEC.  
It is classified as PPE Cat. I.
