

3M™ Thinsulate™ Insulation (Type C)

3M™ Thinsulate™ Insulation (Type C) is warm yet lightweight, powerful yet thin. It helps trap and hold body heat, while allowing moisture to escape. The extremely fine microfibers in Thinsulate insulation help trap air and block body radiant heat loss, making it an efficient insulator. The high warmth-to-thickness ratio of this insulation enables garment designs with less bulk and enhanced freedom of movement.

- The original and revolutionary thin insulation
- Slim profile

“Growing up in Chicago I've always relied on my Thinsulate lined gloves to help keep my hands warm in our typically frigid winters! No bulky mittens here!”

-ELLIOTT S. | ILLINOIS

IMPORTANT NOTICE

WARRANTY, LIMITED REMEDY AND DISCLAIMER: 3M warrants that 3M™ Thinsulate™ Insulation that is stored, maintained and used in accordance with 3M's written instructions will meet the applicable 3M product specifications. 3M MAKES NO OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR ANY IMPLIED WARRANTY OR CONDITION ARISING OUT OF A COURSE OF DEALING, CUSTOM OR USAGE OF TRADE. If any Thinsulate insulation does not conform to this warranty, then the sole and exclusive remedy is, at 3M's option, replacement of the 3M product or refund of the purchase price.

LIMITATION OF LIABILITY: Except where prohibited by law, 3M will not be liable for any loss or damage arising from the 3M product, whether direct, indirect, special, incidental or consequential, regardless of the legal theory asserted, including warranty, contract or strict liability.

PRODUCT USE: Because of the variety of factors that can affect the use and performance of Thinsulate insulation, user is solely responsible for evaluating the product and determining whether it is fit for a particular purpose and suitable for user's method of application. 3M may change the product, specification and availability of the product as improvements are made; therefore, user should contact 3M for latest information before specifying the product.

All Thinsulate insulation rolls are made within strict dimensional tolerance specifications. However, length and/or width dimensions may shift, shrink, or otherwise change up to a maximum of ±4% during handling or shipment. Please allow 24 hours after vacuum pack is removed.
