<b>Name: MB2113 Over Cap Max Boot</b>	<b>Code: 25070</b>	<b>MB21 FOOTWEAR OVERCAP SERIES</b>
---------------------------------------	--------------------	-------------------------------------

### Description

High footwear, with grain leather upper, equipped with fiberglass toecap and composite midsole with a constant thickness of 4 mm. The PU/PU outsole, thanks to its particular design, guarantees a highly draining effect in the presence of liquids. The mid zone with groove is designed to enhance the grip on the ladders. SRC grade anti-slip. The footbed, made of highly supportive polyurethane foam, is particularly suitable for heavy footwear. Variable thickness: 4.5 mm in the front area and 9 mm in the heel area. With remarkable anti-shock and long lasting properties. Lined in the plant area. Antistatic. The 3D-TEX polyester lining is specially designed to allow ventilation of the foot reducing the sweating effect.

### Main features:

- Heavy-duty design: suitable for terrains with a high degree of roughness;
- Very wide shape;
- Wide-cell polyurethane sole guarantees a high anti-shock effect;
- The overcap protects the front leather from impact.

The product has been designed and manufactured to comply with Regulation (EU) 2016/425 and subsequent amendments and in such a way as to comply with the requirements of EN 20345 EC standard. and is classified as Category II PPE.
